PREMIUM WINES BY THE GLASS

In addition to the other options available by the glass elsewhere in this list, the wines on this page are rarities, which are served using Coravin. The Coravin wine access system uses patented technology to access the wine without pulling the cork. After accessing, the remaining wine in the bottle continues to evolve naturally and can be enjoyed later since the wine was never exposed to oxygen.

Theel's Handfibel Barossa Valley	Agricola Vintners <i>Shiraz</i>	2022	7,500
--	---	-------------	--------------

Only 2,437 bottles produced. Hoffmann 1951 Dimchurch Home Old, Hoffmann 1888-1912 Dallwitz Old and Asbroek 'Ancient' circa 1864 vines

"These Agricola wines by Callum Powell (the son of David Powell of Torbreck notoriety) are some of the most remarkable Barossa Shiraz's we have tried recently. This emerging superstar from the Barossa Valley is firmly on the trajectory to stardom. These beauties are extremely limited and we are truly grateful to share with you this year's small allocation exclusively for Thailand."

SWEET WINE

Sweet wines are unjustly ignored by the modern wine drinker. Really sophisticated and knowledgeable wine lovers, however, are enormous enthusiasts of great sweet wines. We are offering you a small but exceptional selection of sweet wines below. Most in smaller bottle sizes, so you can easily drink a bottle between two guests.

WINE BY BOTTLE

BAROLO

Barolo is a deliciously rich and deep red wine made from the ethereal Nebbiolo grape in the Piedmont region of northwest Italy. Also known as the “King of Wines” and the “Wine of Kings”, it is one of the world’s best wines.

Garetti Barolo DOCG	 La Spinetta <i>Nebbiolo</i>	2018	6,350

WINE BY BOTTLE

VERTICALS

A Vertical compares a number of wines from a single Estate or Producer, in which all the wines are produced under the same name or label but come from different years. It is a fantastic way to experience just how unique every year can be in the world of wine.

(Vintage ratings and comments are provided by and with permission of ENOGEA, Alessandro Masnaghetti Editore)

2019 ★★★★★

A very good vintage, but also not consistent, especially in Verduno, La Morra and Novello. Better instead in Castiglione Falletto, Serralunga d'Alba and Monforte d'Alba. Many good wines, which will last, but few capable of getting straight to the heart, perhaps because they are still closed and less seductive than the 2020s.

Barolo Barolo DOCG	Pio Cesare <i>Nebbiolo</i>	8,000
------------------------------	--------------------------------------	--------------

2018 ★★★

As far as quality is concerned, it is permissible to think that the 2018 vintage will be classified in the future as of good level, but not more. At the same time, according to the opinion of many producers and professionals, it will also be a vintage in which the most prestigious crus will have an important edge (as they surely had from a viticultural point of view).

Barolo Barolo DOCG	Pio Cesare <i>Nebbiolo</i>	7,000
------------------------------	--------------------------------------	--------------

2017 ★★★

So far we can record a positive vintage overall – better than might be expected from a hot, dry year without the overripe tones that were typical of the 2003 vintage. That said, style and the quality can be slightly inconsistent from MGA to MGA and from producer to producer.

Barolo Barolo DOCG	Pio Cesare <i>Nebbiolo</i>	7,000
------------------------------	--------------------------------------	--------------

2016 ★★★★★

Judging by the comments that greeted the wines when they came on the market, one could not consider 2016 anything less than a great vintage, particularly in light of such unanimous agreement. The wines show the classic traits of the classic vintages of the past combined with balance, completeness and depth that is truly rare.

Barolo Barolo DOCG	Pio Cesare <i>Nebbiolo</i>	9,000
------------------------------	--------------------------------------	--------------

2013 ★★★★★

Savoury without being difficult, with a good body and, in general, more intense than the wines of the 2012 vintage, even if exceptions are not lacking. The late harvest seems to have favoured the historic and better exposed crus.

Barolo Barolo DOCG	Pio Cesare <i>Nebbiolo</i>	12,000

WINE BY BOTTLE

VERTICALS

2012 ★★★

Compared to 2011, which it partly resembles, however, the wines do not succeed in expressing the same generosity and the same continuity of results even if certain exceptions are not lacking, just as they are not lacking if we compare them to those of 2013, that are, nonetheless, generally superior.

Barolo

Barolo DOCG

Pio Cesare

Nebbiolo

11,000

2010 ★★★★★

For many, the 2010 Barolo is the best vintage which the appellation produced between 2000 and 2014. If in single specific cases this is the truth, on the whole the 2008 appears to have more to offer in terms of homogeneity of results and brilliance of character (and something less in terms of intensity). After this piece of hairsplitting, it is nonetheless indisputable that 2010 must be numbered among the vintages of excellence.

Barolo

Barolo DOCG

Pio Cesare

Nebbiolo

14,000

2008 ★★★★★

The wines have the fascination, the class, and the varietal character which can be found in other vintages which finish with the number '8' (i.e. 1988 and 1998), particularly now that the wines have had a proper period of aging. Even more, compared to the previous two cited, they succeed in expressing the depth, vitality and length of a superlative vintage.

DEPUIS 1837

de **VENOGE**
CHAMPAGNE

CHAMPAGNE DE VENOGE

The history of the Maison de Venoge begins in 1837 when Henri-Marc de Venoge founded the Maison de Champagne de Venoge in the French municipality of Mareuil-Sur-Ay. De Venoge is the creator of the first ever illustrated label in the history of champagne, in 1838, and the Maison chose the blue ribbon of the Knights of the Order of the Holy Spirit as its emblem, one of the most iconic labels of all time, the Cordon Bleu. La Maison de Venoge has been a worldwide ambassador for champagne for 180 years with refined products of absolute excellence. And now their champagnes are available in Thailand for the very first time.

LES CUVÉES CORDON BLEU

The Cordon Bleu champagnes, dominated by Pinot Noir, express the roundness and a certain vinosity typical of this grape variety.

Cordon Bleu Brut Champagne, France	De Venoge <i>Pinot Noir / Pinot Meunier / Chardonnay</i>	NV	4,800
Brut Rosé Champagne, France	De Venoge <i>Pinot Noir / Pinot Meunier / Chardonnay</i>	NV	5,500

LES CUVÉES PRINCES

The Maison de Venoge resurrects the mythical Champagnes Princes created in 1864 by Joseph de Venoge in honour of the Princes of Orange. Its elegant and famous carafe recalls the crystal flasks in which European aristocracy used to decant their champagnes in the early twentieth century.

Princes Blanc de Blancs Champagne, France	De Venoge <i>Chardonnay</i>	NV	7,800
Princes Extra Brut Champagne, France	De Venoge <i>Pinot Noir / Chardonnay / Pinot Meunier</i>	NV	7,800
Grand Vins des Princes Champagne, France	De Venoge <i>Chardonnay</i>	2014	16,950

LES CUVÉES LOUIS XV

On the 25th of May 1728, Louis XV of France made viticultural history by issuing a decree allowing only wines of Champagne to be both shipped and marketed in bottles. This document was a most precious gift to the region; what was once a regional tradition was about to become a true phenomenon. Bottling meant that the sparkle created during fermentation could be preserved only for wines of Champagne, marking the birth of Champagne as we know it today.

VINTAGE CHAMPAGNE

Vintage Champagne, also known as Millésimé, is the unique expression of a single year. The winemaker will only produce Vintage Champagne in years where the quality is exceptional. Here at The Nai Harn we can offer you some outstanding Vintage Champagne.

(Vintage ratings and comments are provided by and with permission of the Comité Interprofessionnel du Vin de Champagne)

2018

Autumn and winter were grey and very wet. The November-January period recorded the highest rainfall after the previous record year of 1965. The cold arrived in February with some snow. Spring was very wet with even some frost as late as early May. Summer arrived with high temperatures and the weather remained nice, allowing the vineyard to grow healthy. At harvest, the grapes were in perfect conditions, the amount of sugar and aromatic richness were above average. Freshness, fruitiness and elegance makes 2018 a good vintage.

Champagne, France

Chartogne-Taillet
Chardonnay

13,000

2017

Winter was cold and sunny. Milder weather appeared in the first half of April, only to experience a second period of frost in the second half of the month. Everything changed in May as the month was particularly hot (35°C in May 27 & 28, a record for the last 10 years). The harvest began August 26th (very early), which made it one of the earliest harvests since 1950, after 2003, 2007 & 2011. Even though 2017 is an uneven vintage, Chardonnay and Pinot Noir did particularly well.

2016

The 2016 vintage was not without its challenges. There was frost in late spring and very low temperatures in the vineyards, followed by a wet May, June and July, which increased the threat of disease. Thankfully August was warm and dry, which saved the crop, and harvest began on schedule in September. Fruit-forward, lush wines with vibrant acidity. Quality is generally above average, with Pinot Noir preferred to Chardonnay.

2015

The 2015 champagne vintage began with a wet winter and mild spring, followed by an exceptionally dry summer until mid-August. The weather then turned to fine, cool, sunny conditions for the harvest. This vintage, while similar to 2003, shows a better balance of weight and freshness. Despite concerns over its ageing potential due to lower acidity, the wines are beautifully structured with ample, attractive fruitiness.

VINTAGE CHAMPAGNE

2014

The winter between September and February showed record rainfalls with mild temperatures. Spring was dry, mild and sunny. Nature woke up 10 days earlier than average. Summer was fresh, humid and not very sunny. As a result the grape growing slowed down, and harvest started rather late. 2014 turned out to be a beautiful vintage. The Chardonnay wines show powerful & rich aromas. The mouth is full, fresh with some citrus notes.

Grand Vins des Princes Champagne, France	De Venoge <i>Chardonnay</i>	16,950
--	---------------------------------------	---------------

2013

It was a "late" year in Champagne. Winter was rather long and cold; Spring did not have a lot of sun and quite a lot of rain. Summer was exceptional: hot and dry, more than 800 hours of sun, which was never seen before in Champagne. Grapes were harvested in very good conditions. After the 2008/2012 extravaganza the 2013 soul is a classic champagne profile, that has been missing in more recent vintages. It's a return to elegance and delicacy of the highest order.

Cristal Champagne, France	Louis Roederer <i>Pinot Noir / Chardonnay</i>	25,000
-------------------------------------	---	---------------

2012

It was rather a miracle vintage due to the weather conditions, which were not ideal for a great harvest. Yields were rather low; in some areas half from the usual. But the quality of the grapes was fabulous! Deemed one of the best vintages the Champagne region has ever experienced. Some people even do not hesitate to put it next to some anthological years such as 1996, 1990 & 1947.

--	--	---------------

2009

The Comité Interprofessionnel du Vin de Champagne rates the vintage of 2009 for Grand Cru champagnes as 'très bon millésime'. After early complications a superb summer produced a clean crop of high quality, with particularly good Pinot Noir from the Montagne de Reims. Wines are plump and were approachable quite early on.

VINTAGE CHAMPAGNE

2008

2008 was a very cold year in Champagne. However, thanks to a dry and sunny first part of September, harvests started September 15th in very good healthy conditions. This vintage will be remembered as one of the great years in Champagne, with many of the region's most celebrated Chef du Caves putting on a pedestal above the legendary 1988 and even the infamous 1996.

Nicolas Francois

Billecart Salmon
Chardonnay / Pinot Noir

20,600

2006

This vintage is generally classified as a 'grand millésime'. Despite challenging weather conditions throughout the growing season, including a very cold and long winter and occasional frost episodes in spring, the quality of the grapes harvested was high. The summer began harshly with violent hailstorms damaging some vineyards, but scorching temperatures later in the season accelerated grape maturation, leading to a successful harvest period in September. Many Champagne houses and producers were able to produce exceptional wines from the 2006 vintage, characterized by good structure, balanced acidity, and complexity, making them highly sought after by wine enthusiasts.

GROWER CHAMPAGNE

Grower Champagnes, where the wine is produced by the same estate that owns the vineyards, are growing in popularity but still get much less attention than the more famous houses. We are trying to change this. The idea behind it is that Grower Champagne is more in tune with the notion of terroir. The wines are a direct reflection of the soil and climate within their village. Grower Champagne can be identified by "RM" on the label, the abbreviation for Récoltant-Manipulant.

LOW INTERVENTION

Natural wine is generally agreed to be wine with only minimum 'intervention' in the naturally occurring fermentation process, without fining or filtration. It is farmed biodynamically and made without adding or removing anything in the cellar or using additives or processing. We prefer the term 'low intervention' as wine always needs someone to train the vines, process and contain the fruit, bottle the resulting wine etc... Low intervention winemaking and natural winemaking aim to produce wines that are an honest expression of the vineyard they grew, of the land, climate and year, and of the gentle care taken by human hands to ripen them. ENJOY!!!

WINE BY BOTTLE

LARGE BOTTLE SIZES

“A magnum bottle of wine is the perfect size for two people if one of them isn’t drinking”. While that may be a bit of an exaggeration, it’s true that magnum bottles are excellent choices for group imbibing. Magnum bottles also have unexpected benefits. Although the itself doubles in size, the cork typically does not. Since corks are not entirely airtight, a small amount of oxygen seeps into any bottle over time, aging and developing the juice itself. Therefore, magnum bottles expose double the amount of wine to roughly the same amount of oxygen, lengthening the aging process and keeping wines fresher for longer.
