### PÉTILLANT NATUREL (PÉT-NAT)

*Pét Nat, aka 'Pétillant Naturel' are sparkling wines which finish their fermentation IN the bottle. Made with the Ancestral Method, also called "Col Fondo", Pet Nats are usually fun, fresh, a little yeasty and have just the right balance of fizz.*

#### PIO CESARE

**Pio Cesare** is an iconic Barolo estate and the only winery located within the historic city boundary of Barolo itself. We are honoured to maintain a personal relationship with its owners, Federica Boffa and Cesare Benvenuto, whose dedication and heritage shape these exceptional wines. Through their generosity, we are fortunate to offer our guests rare and valuable older vintages that are seldom available elsewhere.

#### 2020 ★★★★★

The 2020 Barolo vintage, shaped by the pandemic, yielded wines of balance, elegance, and early approachability. Generous fruit, lively acidity, fine tannins, and vibrant color give both charm and structure. More ready and refined than 2019, if perhaps less long-lived, it has proven deeply enjoyable.

|                              |                                      |              |

| <b>Barolo</b><br>Barolo DOCG | <b>Pio Cesare</b><br><i>Nebbiolo</i> | <b>8,000</b> |
|------------------------------|--------------------------------------|--------------|

#### 2019 ★★★★★

A very good vintage, but also not consistent, especially in Verduno, La Morra and Novello. Better instead in Castiglione Falletto, Serralunga d'Alba and Monforte d'Alba. Many good wines, which will last, but few capable of getting straight to the heart, perhaps because they are still closed and less seductive than the 2020s.

|                              |                                      |              |

#### 2018 ★★★

As far as quality is concerned, it is permissible to think that the 2018 vintage will be classified in the future as of good level, but not more. At the same time, according to the opinion of many producers and professionals, it will also be a vintage in which the most prestigious crus will have an important edge (as they surely had from a viticultural point of view).

|                              |                                      |              |
|------------------------------|--------------------------------------|--------------|
| <b>Barolo</b><br>Barolo DOCG | <b>Pio Cesare</b><br><i>Nebbiolo</i> | <b>7,000</b> |
|------------------------------|--------------------------------------|--------------|

#### 2017 ★★★

So far we can record a positive vintage overall – better than might be expected from a hot, dry year without the overripe tones that were typical of the 2003 vintage. That said, style and the quality can be slightly inconsistent from MGA to MGA and from producer to producer.

|                              |                                      |              |

###### 2016★★★★★

Judging by the comments that greeted the wines when they came on the market, one could not consider 2016 anything less than a great vintage, particularly in light of such unanimous agreement. The wines show the classic traits of the classic vintages of the past combined with balance, completeness and depth that is truly rare.

|                              |                                      |              |
|------------------------------|--------------------------------------|--------------|
| <b>Barolo</b><br>Barolo DOCG | <b>Pio Cesare</b><br><i>Nebbiolo</i> | <b>9,000</b> |
|------------------------------|--------------------------------------|--------------|

###### 2013★★★★★

Savoury without being difficult, with a good body and, in general, more intense than the wines of the 2012 vintage, even if exceptions are not lacking. The late harvest seems to have favoured the historic and better exposed crus.

|                              |                                      |               |
|------------------------------|--------------------------------------|---------------|
| <b>Barolo</b><br>Barolo DOCG | <b>Pio Cesare</b><br><i>Nebbiolo</i> | <b>12,000</b> |
|------------------------------|--------------------------------------|---------------|

###### 2012★★★

Compared to 2011, which it partly resembles, however, the wines do not succeed in expressing the same generosity and the same continuity of results even if certain exceptions are not lacking, just as they are not lacking if we compare them to those of 2013, that are, nonetheless, generally superior.

|                              |                                      |               |
|------------------------------|--------------------------------------|---------------|
| <b>Barolo</b><br>Barolo DOCG | <b>Pio Cesare</b><br><i>Nebbiolo</i> | <b>11,000</b> |
|------------------------------|--------------------------------------|---------------|

###### 2010★★★★★

For many, the 2010 Barolo is the best vintage which the appellation produced between 2000 and more. If in single specific cases this is the truth, on the whole the 2008 appears to have more to offer in terms of homogeneity of results and brilliance of character (and something less in terms of intensity). After this piece of hairsplitting, it is nonetheless indisputable that 2010 must be numbered among the vintages of excellence.

|                              |                                      |               |
|------------------------------|--------------------------------------|---------------|
| <b>Barolo</b><br>Barolo DOCG | <b>Pio Cesare</b><br><i>Nebbiolo</i> | <b>14,000</b> |
|------------------------------|--------------------------------------|---------------|

###### 2008★★★★★

The wines have the fascination, the class, and the varietal character which can be found in other vintages which finish with the number '8' (i.e. 1988 and 1998), particularly now that the wines have had a proper period of aging. Even more, compared to the previous two cited, they succeed in expressing the depth, vitality and length of a superlative vintage.

## VERTICALS

A Vertical compares a number of wines from a single Estate or Producer, in which all the wines are produced under the same name or label but come from different years. It is a fantastic way to experience just how unique every year can be in the world of wine.

### ITALY

#### TUSCANY

Le Macchiole is one of Tuscany's most iconic estates—renowned for championing single-variety wines in a region where Bordeaux blends once dominated the narrative. Thanks to the support of our trusted importer in Thailand, we are fortunate to offer a selection of carefully cellared older vintages for our guests to enjoy.

Founded in 1983 by Eugenio Campolmi and his wife, Cinzia Merli, Le Macchiole was among the very first small wineries to help shape modern Bolgheri. At a time when most producers leaned into blends of Cabernet Sauvignon and Merlot, Campolmi took a bold path: he planted Cabernet Franc, Merlot and Syrah on the Tuscan coast. We have chosen to showcase several vintages of Messorio, their pure Merlot expression, as Merlot remains the most emblematic international grape in Bolgheri and stands alongside notable benchmarks such as Cont'Ugo from Antinori and Masseto from Frescobaldi.

#### 2020

The 2020 vintage was somewhat variable, yet the top estates produced wines of exceptional freshness, aromatic clarity, and refined balance. Galloni awards Messorio 2020 a score of 97, noting its lighter, elegant, and beautifully expressive character along the Tuscan Coast.

"These Agricola wines by Callum Powell (the son of David Powell of Torbreck notoriety) are some of the most remarkable Barossa Shiraz's we have tried recently. This emerging superstar from the Barossa Valley is firmly on the trajectory to stardom. These beauties are extremely limited and we are truly grateful to share with you this year's small allocation exclusively for Thailand."
